HUGE BOOST FOR EAST GRINSTEAD LEISURE FACILITIES

> **Leisure contract a great deal for residents**

> **Extensions to gyms and more gym equipment**

> **Free swimming for children under 8 years old**

> **£2 million of new investment to improve leisure centres**

Users of the Kings leisure centre are seeing big improvements in leisure facilities after Conservative Councillors awarded a new 15 year management contract to industry leaders *Places for People*.

The works have included an extended gym with new, modern equipment, a new soft play area, enlarged changing rooms and a new café. To encourage young people to get involved in sport, swimming will be free for children under 8 years old.

As part of the highly competitive bidding process, Conservative Councillors have demanded a greater focus on cleaning under the new contract and controls will remain on the prices of the most

important services. The contract is a good deal for taxpayers too, with an end to direct Council subsidy of leisure centre running costs and £2 million of private sector investment being secured.

Councillor **Dick Sweatman**: "This is an excellent result for East Grinstead residents as we have been able to negotiate enlarged gyms, improved facilities and free swimming for under 8s, all at no cost to the taxpayer. Leisure centre users are already seeing great benefits".

Voted 'Leisure Centre Operator of the Year' in 2013, *Places for People* is a not-for-profit organisation which manages almost 100 leisure centres across the country on behalf of 29 local Councils.

DELIVERING NEW ENERGY AND LEADERSHIP FOR EAST GRINSTEAD

As Conservatives we promised new energy and leadership in May 2011. We have been actively involved in many projects to:

Set up a neighbourhood plan working group, to achieve front runner status and grant funding to employ the best consultants to produce a plan which reflects the desires and needs of the town's people.

Establish a Portas style Town Team, Project EG, which includes business representation, to drive forward regeneration in the town.

Work with MSDC to host the Olympic Torch on its journey through Mid Sussex and **welcome the Grenadier Guards** to town.

Introduce free Sunday afternoon family entertainment at East Court Live Events. The recent MSDC family play day at King George's Field was also well attended and welcomed by residents.

Encourage the work of the Sports Development Group to enable more participation in sport and to develop the town as a centre of sport excellence and promote Sport England fundraising opportunities.

Honour famous residents of the town by supporting the creation of the McIndoe statue, naming the Sackville School Observatory after Sir Patrick Moore and the Sidney Godley commemoration stone

Support the Bluebell Railway's final push into town after many years of hard work by volunteers.

Redesign and open new King Street toilets by working with MSDC.

Establish a regular and properly funded maintenance program to preserve East Court Mansion.

Work with Network Rail to deliver a new railway station and lower car parking charges. Mid Sussex MP Sir Nicholas Soames is tackling rail operator Southern over their poor service and reliability, recently taking a delegation of East Grinstead residents to meet the Transport Minister.

Promote the rebranding and revitalisation of Chequer Mead community arts centre

Install new playground equipment at Mount Noddy, Kings Field, Imberhorne Lane and Windmill Lane

Herontye Ward local news update

Your hard working Conservative local election candidates for Herontye Ward

EDWARD BELSEY

Edward is a serving District Councillor for Herontye Ward. Monthly surgeries are held at St Barnabas Church with Cllr Dick Sweatman to listen to residents' views. He has worked closely with residents to oppose unwanted developments and improve play areas.

Edward chairs the Council's health scrutiny panel and is working to ensure the town is dementia friendly.

DICK SWEATMAN

Dick is a resident of East Grinstead of 30 years who has served as a Councillor since 2011. He has been involved in organising the Queens Jubilee parade which has evolved into the free summer events programme at East Court.

Dick has been involved in issues such as sorting out grass cutting and road drain clearance and opposing unwanted planning applications at Tobias and Great Harwoods Farm.

ADAM REEVES

Adam believes passionately in East Grinstead and works hard to promote the interests of residents. His career in financial services has allowed him to take on a senior role overseeing the Town Council's finances to ensure value for money for the taxpayer.

He has worked closely with local businesses and keeps an active interest in the Neighbourhood Plan and Gatwick's proposals. He opposes big development proposals such as Hill Place Farm.

CHRISTINE MAINSTONE

Christine has lived in East Grinstead for 45 years. She is a former Town Councillor of 16 years experience and past Town Mayor.

Christine is the chairman of the East Grinstead Music and Arts Festival which holds its event in Chequer Mead each year. Christine's links with Chequer Mead are very strong as she was involved in its original development.

Christine has led many campaigns including safe play areas for children and road safety.
