

THE EU REFERENDUM - LET BRITAIN DECIDE

An in/out referendum on Europe in 2017. Only if you vote Conservative

Britain's relationship with Europe isn't working and needs to change.

Most people are agreed that it's time for the British people to have their say on whether we leave or stay in the EU. However, some parties don't trust the British people to make the decision.

Only a Conservative government - not a coalition one - can deliver an EU referendum. With a majority in Parliament, David Cameron will negotiate a

better deal for Britain and then let the public decide in an in-out referendum no later than 2017.

Labour and the Liberal Democrats combined forces in Parliament to defeat the Conservative referendum legislation and UKIP simply can't deliver a referendum.

£150 SAVING FOR RESIDENTS WITH 4TH COUNCIL TAX FREEZE

East Grinstead residents are £150 better off after the Conservative-run District & County Councils agreed to freeze Council Tax for the 4th year.

If Council Tax had risen by a typical amount each year, the average Council Tax bill would now cost each household £150 extra.

At the same time as the Council Tax freeze, frontline public services and support for community groups have been protected. Conservatives know that Council Tax is a large monthly bill for many residents and want to see it kept down.

Councillor **John O'Brien** says: "At a time when many bills are going up, residents have welcomed the fact their Council Tax bill has been frozen at 2010 levels, keeping money in people's pockets".

TAX CUT FOR 1,000 LOCAL BUSINESSES

Businesses in East Grinstead will benefit from two tax cuts which were introduced by the Conservatives in April.

The Conservative Council is cutting the business rates of over 1,000 small retail businesses in the district by £1,000 a year for two years, thanks to government funding.

Employers will also get £2,000 a year off employer's National Insurance contributions to boost job creation.

NICHOLAS WELCOMES PLANNING CHANGES

Mid Sussex MP Nicholas Soames has welcomed changes to national planning guidance published by the government recently. The guidance encourages brownfield development and confirms the 'duty to cooperate', under which Councils have to consult each other on local plans, is not a duty to agree.

Mid Sussex's District Plan was recently delayed by a Planning Inspector after objections from Brighton & Hove City Council. Councillors are working flat out to get the plan back on track as quickly as possible.

Nicholas says: "This is a step in the right direction. I continue to wholeheartedly support the District Council as they deal with these tricky issues".

HUGE BOOST FOR EAST GRINSTEAD LEISURE FACILITIES

- > **New Mid Sussex leisure contract a great deal for residents**
- > **Extensions to gyms and more gym equipment**
- > **Free swimming for children under 8 years old**
- > **£1.7 million of new investment from July**

Users of the Kings leisure centre will see significant improvements to services from July after Conservative Councillors awarded a new 15 year management contract to industry leaders DC Leisure.

Changes will include extensions to the gym and new, modern equipment. Improved café areas will be created and to encourage young people to get involved in sport, swimming will be free for children under 8 years old.

As part of the highly competitive bidding process, Conservative Councillors have demanded a greater focus on cleaning under the new contract and controls will remain on the prices of the most important services. The contract is a good deal for taxpayers too, with an end to direct Council subsidy of leisure centre running costs and £1.7 million of private sector investment being secured.

Councillor **Edward Belsey** says: "This is an excellent result for East Grinstead residents as we have been able to negotiate enlarged gyms, improved facilities and free swimming for under 8s, all at no cost to the taxpayer. Leisure centre users will begin to benefit from the changes in the summer".

Voted 'Leisure Centre Operator of the Year' in 2013, DC Leisure is a not-for-profit organisation which manages almost 100 leisure centres across the country on behalf of 29 local Councils.

HERONTYE NEWS

Dog bins

After acting on reports from residents of overflowing dog bins at the beginning of Forest Way and Herontye Drive, working with Mid Sussex District Council officers, Cllr **Dick Sweatman** has ensured that two new bins have been installed.

Dick says: "Dog owners are asked to ensure that they use the dog bins provided and clear up after their dog. If residents see dogs fouling public places, they should report it to the Council".

Great Harwoods

Following representations from residents, MSDC has refused the planning application for development at Great Harwoods. Cllr **John Saull** says: "This application raised concerns for many residents and so the refusal is a very sensible decision".

Ward surgery

Herontye Councillors hold a ward surgery at St Barnabas Church on the last Saturday of the month to enable residents to meet their Councillors and raise any issues of concern.

LONG TERM ECONOMIC PLAN

3. **Creating more jobs** by backing small business and enterprise with better infrastructure and lower jobs taxes
4. **Capping welfare** and reducing immigration
5. **Delivering the best schools** and skills to help young people succeed
