JED DWIGHT

Town Council By-Election
Thursday 28th July

June 2016

Dear Resident,

The last couple of months have seen plenty of elections and a referendum, but Franklands Ward residents have another chance to have your say!

A Council by-election will be held on Thursday 28th July to elect a Councillor to fill a vacancy on Haywards Heath Town Council. This by-election is about ensuring we elect an effective Councillor who will work to represent us locally and be a strong voice at the Town Hall.

I am **Jed Dwight**, and I'm delighted to have been chosen by the local Conservatives to stand in this by-election. I live in the ward and, before making Haywards Heath my home, have had past experience serving as a Parish Councillor. My working life is spent supporting a Sussex MP, helping solve issues on their constituents' behalf. I am also a poultry judge in my spare time.

I believe I can bring both experience of serving the community and a fresh input to the Town Council. If elected as your new Town Councillor, I will work with the Conservative team to:

- > Ensure new development comes with **new facilities and improvements in infrastructure** to benefit the community - such as the new country park, allotments, cemetery and land set aside for a new primary school in Hurstwood Lane, already secured by Franklands Councillors
- > Support local planning, through the Neighbourhood Plan, which every resident will be able to have their say on through the referendum later this year, and champion the need for **more affordable homes for young people**, including Starter Homes
- > **Encourage new investment** in Haywards Heath - the station redevelopment brings huge benefits, but there's much more to do
- > Work with Franklands Ward's Councillors to **continue to tackle the speeding, parking and safety problems** that are of most concern to residents
- > Support the **continuation of sixth form college provision** in Haywards Heath, following Central Sussex College's decision to close in 2017

Conservatives have a great track record running our Councils - investing in local facilities, improving infrastructure, delivering high quality public services and being a strong voice for the community.

With your support in this by-election, we can continue this success for our town.
